

SRIRAM ANNADURAI

mailsriram98@gmail.com | +919025108203 | Chennai, India 600043

SUMMARY

Accomplished Full-Stack MERN Developer with expertise in building scalable web applications using React.js, Node.js, Express.js, and MongoDB. Experienced in REST API development, WebSockets, and authentication systems. Delivered real-time and productivity applications with secure architecture and responsive design while optimizing processes and ensuring data accuracy.

SKILLS

- React.js and Redux
- Zustand
- JavaScript (ES6+)
- HTML5 and CSS3
- Tailwind CSS and DaisyUI
- REST APIs
- Node.js and Express
- MongoDB and NoSQL
- Mongoose ODM
- Git and GitHub
- NPM and Postman
- Render deployment
- Object-oriented programming
- Data structures
- Debugging techniques
- Agile methodologies
- Quality assurance
- Problem-solving

EXPERIENCE

Catalog Associate - Amazon

Chennai, India

07/2022 - 01/2025

- Managed and optimized product listings across international marketplaces (IN, US, UK, CA).
- Conducted data audits to enhance catalog accuracy and ensure compliance.
- Resolved complex listing inconsistencies and data integrity issues.
- Implemented process improvements that minimized catalog errors.
- Collaborated cross-functionally to identify and resolve operational workflow issues.
- Skills Applied: Quality Assurance, Data Handling, Analytical Problem Solving, Cross-team Collaboration.

Software Developer Intern - Full Creative

Chennai, India

- Contributed to feature development and code reviews.
- Supported development and debugging of production web applications.
- Applied SDLC practices to optimize project management processes.
- Strengthened real-world debugging and deployment skills.

EDUCATION

Bachelor of Science in Computer Science

Agurchand Manmull Jain College, Chennai
